Hi Jayne--

I've drafted up a short letter to clarify that all interim decisions made since OR received conditional approval will need to go out for public comment and potential Tribal/ESA consultation. Thought it could go out under both our signatures (informally through email). Please review. I'm happy to sign 1st and send scanned version to you to sign/scan and send or if you would like to sign first and scan/send to me for signature, that's fine as well.

Allison
